23	DIRECT EXAMINATION

9 When you were -- as far as the Hawaii deal, were you made aware of any sort of transaction Mr. Kenner set up 10 11 where you can give a commitment or pledge a credit line in 12 lieu of putting all your money in initially? 13 Yes. Α. 14 Q. Can you tell the panel what was your 15 understanding? 16 Basically the company -- it was set up. The 17 company would pay the payments. I would pledge the money, 18 obviously to get the loan for the property. Again, the 19 company would pay the payments, and I wasn't forfeiting all 20 the amount of money for the piece of property. 21 Were you aware that Mr. Kenner got a credit line 22 against some securities or investments you had? 23 Α. Yes. 24 And later on were you aware that Mr. Kenner starting lending this money to another principal in the 25 916 Cabo project named Ken Jowdy?

2009 Berard testimony - confirming knowledge of loans to Jowdy from Hawai'i

13 BY MR. RICHARDS: Where did you think the money Q. 14 that Mr. Jowdy -- were you told where the money was going 15 to be used that was given Mr. Jowdy as far as the Mexican project? Was there anything you were told about that? 16 Basically just loan him the money for the 17 Α. 18 property. 19 What about bank statements; did you have any Q. problem getting any of your bank statements from Mr. Kenner 20 21 at any time? 22 Not at all.

Basically loan money to Jowdy for the project...

Berard family attorney reviewed all documents before signing them... Q. And prior to signing any of these documents did
you have access to your own attorney unconnected to
Mr. Kenner to review this?

1 A. Yes, I did. We have a family attorney back home
where before I sign any documents basically -- I went to
his office, sat with him. We reviewed them, and I signed
them and basically FedEx'd them to Phil.
